Give Glory to the Lord Your God (Psalm 33)

Give glory to the Lord your God. Sing with awe of His mighty power. Give glory to the Lord your God. Sing with joy at His majesty!

1. For the Word of the Lord: it is right and true. God is faithful in all that He does.
2. By the Word of the Lord were the heavens made: their starry host spewed by His breath.
3. Oh how blessed is the Nation whose god is God! He watches His people from above.
4. We shall wait on the Lord: He's our help and shield. In God, our hearts cry joyfully.

Our God loves righteousness and justice. All of earth abounds with His blessings. As He spoke, it appeared: creation's birth. By His will, lands issued from the heavens. May Your love ever rest upon us, Lord, even as we place our hope in Him. True salvation comes but from God's inheritance.
