1. Your love, O Lord, is great. It reaches to the heavens. Your faithfulness, it reaches to the skies. You are like the mighty mountains; Your justice deeper than the deepest sea.

2. We feast within Your house. Such bounty You provide for us! You let us drink Your river of delights. For with You is our faithfulness, it reaches to the skies. Your righteousness, O Lord, is like the mighty mountains; Your justice deeper than the deepest sea.
