Glory to God Who Reigns on High (Psalm 68)

1. Glory to God who reigns on high! We are power, our strength, our King. We sleep in peace, sheltered by Your care. Father to all: in need, our God is always there. God, our provider and our cure beneath Your shelter-wing. Hope, the defender of the poor. The bounty of God is high. We proclaim Your majesty. How mighty our God, who reigns throughout eternity!
