Be With Us, O God (Psalm 83)

Be with us, O God. Be with us, O Sovereign Lord.

Be with us, O God. Help us with Your enemies.

1. Make them tumble weeds, O God. Make them chaff before the wind. Be with us. Be with us.
2. As the fire burns the trees, so consume them with Your name. Be with us. Be with us.
3. Fill their faces with such shame that all men will seek Your name. Be with us. Be with us.
