1. Let's worship the Lord. Let's shout out for joy, and raise God's name in
song! For God is our Lord, the source of all life: to You, God, are good. Your
love for ever endures!

2. We've entered Your gates. We knew when we came that our joy would be se-
cure. Thanks giving we bring, for You, God, are good. Your love for ever endures!
